FOREWORD

THE TIGERS ARE ON PARADE! The Tigers of Los Banos High are passing in review, spotlighting the highlights of the 1957-58 school year. This was a year of exciting new achievements and retrogressions—the first space satellite was launched, and the chemise and pointed shoes of the 1920's returned. Pat Boone, the Everly Brothers, and the Four Preps supplied the juke boxes of the nation with ballads, rock and roll, and close harmony. These achievements were all reflected in the life at Los Banos High.

Our yearbook will portray the activities of the students; you have a grandstand seat, so sit back and watch THE TIGERS ON PARADE.

DEDICATION

The El Pacheco staff of 1958 is proud to dedicate this volume to a man whose fine moral standards, warm personality, and interest in students combine to make him one of the finest coaches Los Banos High has ever known. This man has done much to bolster school pride by producing championship teams in all sports.

Mr. Doug Pederson, we dedicate this edition of the El Pacheco to you.

ADMINISTRATION

Mr. Carlyle G. Loftin
District Superintendent

Mr. Sam Benidettino
Principal

The Board of Trustees and the administration devoted much time this year to planning for a bond election to provide funds for a new high school on a new site. With the failure of this election on February 25, the administration is still faced with problems of unsafe and inadequate buildings and an ever-increasing school enrollment.

In April of 1957 five junior girls, Mary Cinek, Nancy DeGregori, Lynda Hagle, Judy Foster, and Charlotte Henry, accompanied by Mrs. Harrison, attended the Girls' Leadership Conference at Asilomar.

The girls selected Nancy DeGregori to run as a candidate for Secretary-Treasurer. They worked out an effective campaign, which they started upon arrival at Asilomar.

Nancy was elected to the position of Secretary-Treasurer, and she and the other four girls have worked to prepare the program for the 1958 conference. The five girls attended the conference in April, 1958 as hostesses.

This conference gives girls from the central section of California a chance to meet and exchange ideas, and is a valuable experience in learning to get along with others.

Our varsity season started with wins over Newman and Gustine. Then Dos Palos, showing plenty of power, beat us in a very hard fought game.

Illness and injuries then struck the team, and we were unable to get our right foot forward until the last game of the season against Sonora. Los Banos rooters were highly jubilant over the Tigers' 36-28 defeat of the strong Sonora eleven.

Inexperienced personnel to begin with, combined with injuries and illness in late season about the time our team showed some possibilities, resulted in a somewhat disappointing season. We faced tough competition in an extremely strong "B" league. An interesting highlight of the season was our tie with Dos Palos, who won its league championship.

Gustine Tournament Victors

SEASON SUMMARY

The 1957-58 basketball team, although not winning the league championship, was probably one of the finest teams ever to represent Los Banos High School. Its season record of twenty wins and three losses was, to Coach Pederson's knowledge, the best season record ever compiled by a Los Banos varsity team.

It was also the only Los Banos team ever to win the Gustine Invitational Basketball Tournament, which was probably the season's highlight. The Tigers' Tournament record was

Los Banos 51	Hilmar 29
Los Banos 47	Le Grand 36
Los Banos 46	Hughson 28

At the season's end, Captain Doug Jordan was the only unanimous all-league selection for the second straight year and was picked as the league's outstanding player. Dave Bonillas received the highest number of votes as second string all-league missing first string selection by one vote. Joe Sabetta also received second string nomination to the all-league team.

Pictured here are scenes showing the Los Banos team being honored at the Gustine Tournament. These pictures were provided through the courtesy of Mr. Robert Williams, faculty member.

LOS BANOS BANBEES

TRANS-VALLEY LEAGUE CHAMPIONS

The Los Banos Banbees came from behind to win the championship in a very tough league. This year marked the second championship in a row and also gave the Banbees 19 wins two years in a row. Following is their league record.

Los Banos 42	Sonora	43	Los Banos 49	Sonora	24
